Maadi British International School Mission Statement

'Learning for Life...'

Maadi British International School provides students with the knowledge, skills and understanding that will empower them to be well-rounded, successful members of an ever changing, culturally diverse world community.

At MBIS we are committed to providing a happy, positive learning environment where students, teenagers and adults are:

- *Successful learners*
- *Confident, cooperative and responsible leaders*
- *Flexible and resilient*
- *Honest and trustworthy*
- *Responsible, caring global citizens*

Overview

All students at MBIS must wear the correct school uniform. Our students are ambassadors for our school and their dress (and behaviour) convey an impression to the public of what we are like as a school.

Teachers are required to enforce the dress code at all times to encourage students to take pride in their appearance as a member of our school community. School uniform must be worn daily to attend classes. School uniform must be worn correctly at all times on buses, in school and when on school trips (unless otherwise agreed).

The uniform at MBIS is designed to be suitable for all activities that the students will be participating in during the day and is appropriate for the range of weather conditions in Egypt.

The school has a number of branded items that are sold through the school uniform provider, **Rose Marie**, and some items are also available from the second-hand uniform shop that is run by **Helping Hands**, our parent group.
